

## Qi Brandon

Qi Brandon - Feng Shui consultants could help individuals with the orientation, layout and decoration of their commercial spaces and residential homes. Consultants could likewise help with exterior or interior areas or structural applications. For example, he or she may be responsible for just the cosmetic dressing and design of an interior space. Then again, if a Feng Shui consultant is brought in to give advice during an early planning stage of a project, he or she can give input about the structural elements of the space or the building.

Feng Shui is most usually performed inside home and office places. In the past, this art was most usually performed buildings of significance such as palaces and places of worship. In the 1960s Feng Shui became popular in the West. Lots of books have been written since then and published in English and other languages. A lot of Westerners who have studied Feng Shui have gone on to become consultants.

There are lots of schools which particularly provide courses in Feng Shui. To be able to become a professional Feng Shui consultant, it is vital to dedicate time in order to become totally conversant with the practice. Feng Shui is based on an understanding of qi, that is otherwise called "chi." Qi is often defined as the flow of energy that is related to all the living things. The practice also relies on polarity, the theory of magnetic pulls as well as yin and yang. A Feng Shui consultant must likewise know the different symbols related to practice as well as understanding a great deal concerning qi.

Feng Shui is often performed inside private homes throughout Western countries. It is far more rare for professional areas which are built or fashioned according to Feng Shui principles. Even though the area in general has not been organized to the philosophy of Feng Shui, it is possible to include elements into private work areas. When including Feng Shui into dressing and designing a larger space, it may be wise to consult a Feng Shui consultant, even though it is possible to complete smaller projects on one's own.

Various Web sites provide plenty of good information regarding Feng Shui histories and its principles. Information on these websites would include information concerning the schools providing courses in addition to general knowledge of Feng Shui. Some of these web sites also offer contact information for those looking for a Feng Shui consultant.
